

Star rug

Emma Olbers,

Description

Star rug by [Emma Olbers](#) for [Asplund](#).

Honouring their Nordic heritage, Asplund create contemporary furniture in collaboration with celebrated Swedish designers and architects. Their simple, versatile and high quality designs make for considered, functional living and working. Part of the naturals range.

The idea for the old classic pattern comes from the paving of Orvieto's cathedral that Emma visited during a trip to Italy.

The geometric pattern creates an optical illusion as the eyes try to identify stars, cubes, stripes and more.

The Star rug is made of natural New Zealand wool with stitched details.

Available in light grey, medium grey and natural rye colour base with white pattern and black indigo stitching.
