

# Ginger P floor light

Joan Gaspar , 2014

## Description

**Ginger P floor light** by [Joan Gaspar](#) for [Marset](#).

The Ginger floor light features an extraordinarily lightweight light disk-shaped shade which pays tribute to the drums of Ginger Baker of Cream, the 1960's rock band.

The Ginger collection uses new materials and technology applied to the lighting sector: layers of wood and paper shaped under high pressure. The outcome is a lampshade measuring just 4 mm thick with a white interior to reflect the light and a high-quality wood finish on the outside.

Shade available in either an oak or wenge. Injected and lacquered black matte aluminium dissipater and lacquered black matte metal stem. The Ginger collection includes a pendant and table lamp.
