Moebe,

Description

Frame designed by Moebe.

Founded by cabinetmaker Anders Thams and architect Martin D. Christensen, Moebe is a Copenhagen based design studio specialising in simple, honest and intuitive products for the home with a strong Scandinavian grounding.

Consisting of only the essential elements, the paired down Moebe frame simply slots together. Four pieces of oak wood hold two pieces of plexiglass in place with a rubber band to create a minimal frame. Frame special prints or press ephemera in the double-sided design.
