

Log stool

Naoto Fukasawa,

Description

Log stool by [Naoto Fukasawa](#) for [Swedese](#).

The Log family of seating has a formal simplicity that is both functional and poetic.

Naoto Fukasawa's designs are based on his close observations of our use of objects in our everyday lives. His reinventions of everyday items has made him one of the most influential product designers working today.

Made of laminated oak veneer with a natural lacquered finish.

Also available as a [bench](#) and [storage table](#): see 'More products in this range' below.
