

Randaccio round mirror

Gio Ponti, 1925

Description

Randaccio round brass mirror by [Gio Ponti](#) for [Gubi](#).

Visionary Milanese architect designed this mirror for his own home in Via Randaccio, Milan - effectively his first architectural project. The Randaccio mirror hung in the bedroom of his apartment alongside other furniture Ponti designed for his own use.

The circular mirror's refined brass frame features a rippling crown-like detail - a detail that Ponti was to employ in other designs of this period.

Available in small, medium and large sizes.

Dimensions:

Small: 42cm diameter

Medium: 60cm diameter

Large: 70cm diameter

Please note: due to the great fragility of this design we are able to ship it within the EU only.
