

Happy Together 10 Stack

Michael Anastassiades, 2015

Description

Happy Together Stack 10 pendant light by Michael Anastassiades.

Michael Anastassiades is known for his minimal and sculptural lighting. His philosophy is to produce exceptionally designed objects of permanent value. All pieces are fabricated in carefully sourced, small family-run workshops selected for their unique manufacturing skills and tradition in the use of materials.

The Happy Together collection has mouth-blown opaline glass glass globes arranged in different configurations and suspended from polished brass, polished nickel and black patinated brass rods.

Available with a single glass shade or with four or ten shades arranged in two different formations. Happy Together Stack has the globes arranged in a pyramid, while Happy Together Berry has the glass shades configured like a bunch of grapes.

The triangular ceiling rose is available in polished brass, polished nickel-plated brass or black patinated brass.

Pendant rod is available to order, with maximum length of 200cm. Please specify rod length required when placing order. Rod is matched to ceiling rose and is available in polished brass, polished nickel-plated brass or black patinated brass.
