

Lisa pendant light

Lisa Johansson-Pape, 1947

Description

Lisa pendant light by [Lisa Johansson-Pape](#) for [Innolux](#).

Designed in 1947, the Lisa pendant lamp has a simple modern form counterpointed by delicate and decorative perforations in the shade. A light particularly suited to use above a dining table. Can be used alone or as multiples to great effect.

The aluminium shade is available in two sizes, 265mm and 445mm diameter, and in powder-coated white and brass finishes. 140cm white cord.

All shades have a white interior which ensures that light is efficiently reflected downwards while filtering gently upwards through the perforations in the shade.

Light source: E27 max 35W (not included)
