

Mobile chandelier 9

Michael Anastassiades, 2015

Description

Mobile Chandelier 9 by Michael Anastassiades.

Michael Anastassiades is known for his minimal and sculptural lighting. His philosophy is to produce exceptionally designed objects of permanent value. All pieces are fabricated in carefully sourced, small family-run workshops selected for their unique manufacturing skills and tradition in the use of materials.

The mobile chandelier collection features a series of mouth-blown glass globe shades arranged around a frame made of black patinated brass. These dramatic and sculptural lights are an exercise in graphic minimalism.

Mobile Chandelier 9 features one large and two small opaline glass globes held in perfect balance on a gracefully curved armature.

Pendant rod length may be made to order; please enquire for details. Minimum total drop 125cm (with remote transformer), maximum total drop 230cm.
