

Wall Shadows wall light

Description

Wall Shadows wall light by Charles Kalpakian for [Nemo Lighting](#).

The Wall Shadows wall lights emit diffused, angular light modulations. The design blurs the lines between an industrial design piece and a sculptural masterpiece. This artistic light source is sure to act as a spatial focal point when displayed in any space. Available in 4 sizes which can be used alone or combined, in small spaces or large. Made from aluminium in white.

Bulb:
LED boards
