

312 L ceiling lamp

Bernard Albin Gras, 1921

Description

312 L ceiling light by [Bernard-Albin Gras](#) for [DCW éditions](#).

In 1921 Bernard-Albin Gras designed a series of lamps for use in offices and industrial environments. The Gras lamp was astounding in its simple, robust and yet very ergonomic design. The functional aesthetics of the Gras lamp, and the design of arms, stems, brackets and bases, were truly original and far ahead of time.

Larger version of the 312 ceiling light. A very distinctive hanging ceiling lamp, very graphic and practical with its extension. The height of the lamp can be adjusted. Shade available in a wide range of finishes in either round or conical shape. Made from steel with black satin rose and arm. IP 20 rated.

See drawing and downloadable pdf for full specification.
