

304L wall light

Bernard Albin Gras, 1921

Description

304L wall light by [Bernard-Albin Gras](#) for [DCW éditions](#).

In 1921 Bernard-Albin Gras designed a series of lamps for use in offices and industrial environments. The Gras lamp was astounding in its simple, robust and yet very ergonomic design. The functional aesthetics of the Gras lamp, and the design of arms, stems, brackets and bases, were truly original and far ahead of time.

Steel arm in satin black with a range of shade colour options. The Lampe Gras 304L can be used as both a ceiling and wall light. Available with 2 arm lengths - 40cm or 60cm. Shade in 2 shapes, either round or conical.

This is a hard-wired light without a cable and without a switch on the base. IP 20 rated.

See downloadable pdf for full specification and drawing for detailed dimensions.
