

# 302 ceiling light

Bernard Albin Gras, 1921

## Description

**302 ceiling lamp** by [Bernard-Albin Gras](#) for [DCW éditions](#).

In 1921 Bernard-Albin Gras designed a series of lamps for use in offices and industrial environments. The Gras lamp was astounding in its simple, robust and yet very ergonomic design. The functional aesthetics of the Gras lamp, and the design of arms, stems, brackets and bases, were truly original and far ahead of time.

Lampe Gras 302 is an unusual ceiling light which can give general ambient light when placed centrally in a space or directional light when used over a work surface, table or counter. Works well in multiples. Steel arm in satin black with a range of shade colour options. Shade shape in 2 options, either round or conical.

IP 20 rated.

See downloadable pdf for full specification and drawing for detailed dimensions.

### Dimensions

Adjustable arm : min 54 cm - max 92 cm

Rod : 20 cm

### Bulb

E14 ESL 11W (not included)

### Product code

LGRAS-302-BL\*

### Delivery

Made-to-order: 3-5 weeks

### Price

£386.00
