

HeadHat bowl pendant

Equipo Santa & Cole, 2013

Description

HeadHat ceramic bowl pendant light by [Equipo Santa & Cole](#).

The Head Hat family is a highly flexible collection of pendant lights with ceramic or metallic shades (Hats) in various sizes and an innovative LED capsule (Head) that provides generous light. The combination of ingenious modular components and minimal design make the Head Hat range a highly adaptable lighting system with longevity and flexibility.

Ceramic Head Hat shades feature a gloss exterior and a matte finish interior and come available in white ceramic and black ceramic.

Available in small and large.

The lighting capsule contains the LED light source which has a translucent white diffuser and a heat sink with black matt finish. Supplied with 3m or 8m black cable.

Available in dimmable and non-dimmable options. Please note that dimming switch is not included with dimmable version.

Ceiling rose has power supply integrated and is available surface-mounted or recessed. Surface-mounted option is made of metal with a smooth matt finish and is available in white or black. Recessed option has a metallic, matt finish circular ceiling plate and is available in white only. Please note that the recessed version is not dimmable.

Weight: Small - 1.1kg, Large - 1.6kg.

Light source (included): Built in 3-7W LED, 2,700K, 301Lm, Typical CRI: 83, Average lifetime: 40,000 hours.

Dimensions:

Small shade: 14dia x 9cmh

Large shade: 20dia x 12cmh

Ceiling rose, non-dimmable: 10dia x 6cmh

Ceiling rose, dimmable: 11dia x 6cmh

Integrated ceiling plate: 10dia x 8cmh
