

Dorica floor lamp

, 1994

Description

Dorica floor light by Jordi Mirabell and Mariona Raventos for [Santa & Cole](#).

Inspired by the Doric order of architecture, Dorica has a simplicity and purity of form that will sit happily in both modern and more traditional interior schemes.

The cylindrical metal base structure has a dark bronzed finish. An optional stabilising base consisting of a simple metal disk with a dark bronzed finish is also available.

Pleated natural ribbon shade. The stem of the lamp stand protrudes from the top of the shade and is wrapped with natural coloured cord, providing a warm and tactile contrast with the metal base.

Recommended light source: E27 (max height 16cm), 3 x 10W LED/3 x compact fluorescent 20W/3 x Incandescent Max 60W.

Dimmable. Dimmer included.
