

# HeadHat metallic pendant

Equipo Santa & Cole, 2013

## Description

**HeadHat metallic pendant light** by [Equipo Santa & Cole](#) for [Santa & Cole](#).

The HeadHat Plate family is a highly flexible collection of pendant lights with ceramic or metallic shades (Hats) in various sizes and an innovative LED capsule (Head) that provides generous light. The combination of ingenious modular components and minimal design make the Head Hat range a highly adaptable lighting system with longevity and flexibility.

Metallic Head Hat shades have a matt white finish and are available in small, medium and large. A coupling washer in white engineering plastic is included.

The lighting capsule contains the LED light source which has a translucent white diffuser and a heat sink with black matt finish. Supplied with 3m or 8m black cable (minimum drop 40cm).

Available in dimmable and non-dimmable options. Please note that dimming switch is not included with dimmable version.

An optional diffuser is available.

Ceiling rose has power supply integrated and is available surface-mounted or recessed. Surface-mounted option is made of metal with a smooth matt finish and is available in white or black. Recessed option has a metallic, matt finish circular ceiling plate and is available in white only. Please note that the recessed version is not dimmable.

Weight: Small - 1.5kg, medium - 1.9kg, large - 3kg.

Light source (included): Built in 3-7W LED, 2,700K, 301Lm, Typical CRI: 83, Average lifetime: 40,000 hours.
