

PH 4 1/2-4 pendant light

Poul Henningsen,

Description

PH 4 1/2-4 pendant light by [Poul Henningsen](#) for [Louis Poulsen](#).

Rooted in a painstaking analysis of the reflective qualities of light, Poul Henningsen's lights are recognised as classics of Danish design which are notable for their innovative glare-free form and uniform illumination.

Henningsen's unique three-shade system is designed to ensure the majority of light generated is focused outwards and downwards to cast an atmospheric yet effective glow

Shades are made of mouth-blown, three-layer white opal glass which has a gloss finish on the upper side and is sandblasted matt on the inside to give a softly diffuse distribution of light.

The shade fitting is made of extruded aluminium with a high lustre chrome plating.

Supplied with 3m black textile cable

Light source: 1x 70W E27 bulb (not included). IP 20 rating.

Dimensions:

Shade: 45dia x 41cmh
