

213XL outdoor seaside

Bernard Albin Gras, 1921

Description

213XL outdoor seaside wall light by [Bernard-Albin Gras](#) for [DCW éditions](#).

In 1921 Bernard-Albin Gras designed a series of lamps for use in offices and industrial environments. The Gras lamp was astounding in its simple, robust and yet very ergonomic design. The functional aesthetics of the Gras lamp, and the design of arms, stems, brackets and bases, were truly original and far ahead of time.

The Lampe Gras 213XL outdoor seaside is a wall light designed for durability and weather-resistance. IP64 rated, and made of 316 stainless steel, it is resistant to rain, snow and saltwater as well as extremes of heat and cold.

Black satin body with shade 2 shapes, round or conical. Shade finish available in black, red, yellow, blue, raw copper, or raw copper with white interior.

Body in stainless steel, silicon waterproof seals and reflector casing in borosilicate glass. Hardwired.

See downloadable pdf for full specification and drawing for detailed dimensions.
