

Coppelia pendant light

Arihiro Miyake , 2014

Description

Coppelia pendant light by [Arihiro Miyake](#) for [Moooi](#).

The Coppelia pendant lamp features a delicate and sinuous structure which is created by three-dimensional crossed-wires. This modern reinterpretation of a classic chandelier supports dozens of glowing LED lights which both define the structure and give it a magical glow

Available in two sizes and in two finishes: satin black, or electrolytic polished steel. Polycarbonate shades and suspension bracket. 4m transparent cable.

Dimensions:

Small chandelier: 68 diameter x 42.5cmh, 36 LED Tubes, 9kg
Large chandelier: 101 diameter x 54cmh, 54 LED Tubes, 14kg

For use with recommended dimmer only

Specifications:

Power consumption: MAX 20W (small), MAX 33W (large)

Colour Temperature: 2700K / CRI 90

Dimmable: Mains dimmable, with recommended dimmer only.

Luminous flux (Lumen, lm): 400 lm (small), 600 lm (large)

Electrolytic polished stainless steel or black satin frame, polycarbonate shades and suspension bracket.

Ceiling canopy diameter 17cm electrolytic polished
