

Bot wall/ceiling light

Gregorio Spini, 2011

Description

Bot ceiling/wall light by [Gregorio Spini](#) for [Vistosi](#).

The Bot lighting collection includes a ceiling light, wall/ceiling light and spotlight. The design is reminiscent of the process of glass blowing when incandescent glass is filled with light before it has been given its definitive shape.

Available as either a ceiling light (Bot PL 35), ceiling/wall light (Bot PP 45) or spotlight (Bot FA 16).

LED versions available as dimmable.

Also available as a pendant light and table lamp, see more products in the range.
