

# Short Chair

Marcel Breuer, 1936

## Description

**Short Chair** by [Marcel Breuer](#) for [Isokon Plus](#).

The Short Chair is an adaptation of Breuer's Long Chair, designed in 1936, launched to great acclaim and subsequently recognised as a landmark in the design of twentieth century furniture.

Following the initial success of the Long Chair, Breuer produced a design for a smaller, more space-efficient version of the classic lounge.

The Short Chair has a moulded birch frame and is available with or without a seat pad in Bute fabric.

Please enquire for details of upholstery fabric options.
