

Palissade dining bench

Ronan & Erwan Bouroullec, 2016

Description

Palissade dining bench by [Ronan & Erwan Bouroullec](#) for [HAY](#).

Palissade is the new family of outdoor furniture from the brothers Bouroullec, ranging from benches, sofas and tables to dining and lounge chairs.

Formed from streamlined slatted steel with curved surfaces, the collection is described by the designers as "strong without being bulky; elegant without being fragile".

With a form that harks back to traditional French garden furniture while remaining resolutely contemporary, Palissade will sit easily within a wide variety of settings - from gardens, terraces and balconies to outdoor cafes and restaurants.

Made from electro-galvanised steel, powder coated in anthracite, sky grey, cream white or olive.

An optional, water resistant seat cushion is also available as an extra. It has an anti-slip bottom and fastens with strings at the top and velcro at the bottom. The cushions are available in three colours: sky grey, anthracite or olive, and comes in two sizes: as seat cushion or as full, quilted cushion that covers the seat and back.
