

Bellevue AJ7 floor light

Arne Jacobsen, 1929

Description

Bellevue AJ7 floor light by [Arne Jacobsen](#) for [andtradition](#).

Arne Jacobsen's Bellevue lighting family has the graceful lines and elegant functionalism that are typical of his designs. First designed in 1929 the lighting range has now been reissued by andtradition in a new range of colours to complement contemporary settings.

The Bellevue light shade is spun to its distinctive shape from a single piece of metal. The range is available as a floor, wall and table light. See 'More products in this range' below

The Bellevue floor light is available in black, white, copper, thunder blue, olive brown and brass with brass detailing. The black version is also available with steel detailing.

Supplied with a black 2m textile covered cord with switch. The white version comes with a white 2m textile cord with switch.

Light source: E27 Max 60 Watt/12 Watt CFL (not included)
