

# Captain Flint floor lamp

Michael Anastassiades, 2015

## Description

**Captain Flint floor lamp** by [Michael Anastassiades](#) for [Flos](#).

"I wanted to design a light that had a dual purpose. An up-lighter, illuminating the space with enough ambient lighting, that with a delicate rotation becomes a dim companion for reading. A notion of balance, with a cone resting delicately on its point on a rotating rod." *Michael Anastassiades*

An elegant free-standing floor lamp with anthracite grey powder-coated steel frame and black Marquina marble base or brushed brass frame and white Carrara marble base. The rotating cone shade allows the light to be angled upwards or downwards, providing an ambient up-light or a soft-light to read by.

A foot-switchable dimmer on the cable allows ON/OFF function and 10-100% light adjustment.
