

Rope Trick floor light

Stefan Diez, 2016

Description

Rope Trick floor light by [Stefan Diez](#) for [Hay](#).

The Rope Trick floor light has an innovative design that employs the latest LED and materials technology. The lamp has a flexible textile-covered stem that supports an integrated LED head. A click device allows the shade to be moved up and down to direct light as required.

Supplied with Micro dimmer switch and 2.5m black cord.

Available with black base and diffuser and 'rope' stem in yellow beige or black.

Light source (included): LED module 3000K 410lm. IP20 rated.

Dimensions
18w x 33d x 170cmh
