

Gli Specchi di Dionisio mirror

Ettore Sottsass,

Description

Gli Specchi di Dioniso mirror by [Ettore Sottsass](#) for [Glas Italia](#).

Glas Italia has enlisted a roster of internationally renowned designers to create striking new furniture that marries progressive design with a heritage and tradition of master craftsmanship in glass.

Gli Specchi di Dioniso is characterised by the exuberance and feel for colour that is integral to the designs of Ettore Sottsass. A rectangular mirror is enclosed within a multicoloured frame composed of panels of laminated, coloured mirror, coloured laminated glass and lacquered glass.

May be hung horizontally or vertically.

Please note that cleaning detergent sprayed directly onto the mirror may penetrate the joints between glass panels and cause oxidation; it is therefore recommended that any cleaning agent used should be lightly sprayed onto a cloth and not directly on the mirror itself.

Dimensions:
62w x 3d x 58cmh

Please note: due to the great fragility of this design we are able to ship it within the UK only.
