

Float ceiling light

James Irvine, 2000

Description

Float Circolare ceiling light by [James Irvine](#) for [Artemide](#).

Circular ceiling light with body in white painted die-cast aluminium. With a lower diffuser made of opaline methacrylate and an upper diffuser made of transparent polycarbonate, the Float ceiling light illuminates its underside in a diffused glow and casts a clear light onto the ceiling above.

A coloured filter in blue or topaz can also be applied to the upper diffuser to cast a coloured glow on the ceiling.

Bulb (included)

1 x 2GX13 55W fluorescent, non-dimmable

Dimensions

56.5dia x 11cmh
