

# Chimera floor light

Vico Magistretti, 1969

## Description

**Chimera floor lamp** by [Vico Magistretti](#) for [Artemide](#).

Designed by Vico Magistretti in 1970, the Chimera floor lamp is a larger accomplice to the Mezzachimera table lamp. Sitting on a base of white painted metal, the gentle folds of heat-curved opal methacrylate shield the bulbs and diffuse the light, creating a soft glow.

Like the Mezzachimera, the Chimera is as much a display piece as a practical lamp.
