

Royal System - Table

Poul Cadovius, 1948

Description

Royal System table by [Poul Cadovius](#) for **DK3**.

The Royal System was conceived by the Danish designer in 1948. Recognised with Gold Medal at Finland Furniture Fair in 1950 and silver at Milan Triennale, the system set a benchmark for wall storage design. In oak, walnut and laminate the system is produced to exacting standards and offers great flexibility to extend or reconfigure.

The Royal System table is mounted to the Royal system at one end and has two solid wood legs at the other. Available in two different heights and lengths; low and high, 125cm and 175cm.

Includes under-table wall mounting and stabilisers.

Please note; pricing example is for **table only**. Please view 'More products in the range' below for rails, drawer, shelves, cupboard and workstation units to complete the system. Pdf price list of the entire Royal System range available in Product downloads.

If you require any assistance designing your shelving system please either [contact us](#) or use the Royal System configurator [here](#).
