

46 armchair

Finn Juhl, 1946

Description

46 armchair by [Finn Juhl](#) for [House of Finn Juhl](#).

The 46 chair is perhaps one of Finn Juhl's most elegant and timeless designs. First produced for Snedkerlauget's exhibition for Niels Vodder, the chair was later made more simple and more beautiful. The craftsmanship behind this chair, and its strong yet delicate poise, make it an unmistakable icon of Danish Modern furniture.

A solid wood frame supports the 'floating' upholstered seat and back. The 46 chair is made of oak, or walnut.

The seat and back are available upholstered in a range of fabric and leathers. Please click on the fabric name below for images and fabric codes. When placing an order, please specify both the fabric name and number in the text box above.
