

Platner Gold side chair

Warren Platner, 1966

Description

Platner Gold side chair by [Warren Platner](#) for [Knoll](#).

To celebrate its 50th anniversary the Platner collection is now available in an 18K gold-plated finish.

Warren Platner designed the Platner Collection in 1966, and his intention was for it to be gold-plated. The technology of the time made gold plating in large-scale production impossible however, which resulted in the collection being made in nickel-plated steel. 50 years later, the Platner Collection Gold fulfills Platner's original wish.

The Platner side chair is made up of hundreds of individual welds that have been soldered by hand. The frame is made from vertical steel wire rods welded to a round and edge-framing rod. A clear plastic extrusion ring creates a smooth bottom surface. 18K gold-plated finish, coated with clear lacquer for protection. Upholstered in fabrics and leathers of the collection.

Please note: When upholstered in Eva fabric collection, there will be a lead time of 12-14 weeks.

Dimensions
95w x 65d x 48/77cmh

Product code
KNI-1725AG

Delivery
Made-to-order: 6-8 weeks. Upholstery in Eva fabric: 12-14 weeks.

Price
£4,344.00
