This item is a one-off clearance item to be sold on a first order, first served basis.

A pure cylindrical form, crafted from solid marble. The rounded inner edge at the shade base is a design signature of the Solid collection.

As marble is a natural material the hue and veining will vary from piece to piece, making each shade body unique.

Solid is designed with effective thermal cooling for LED performance and longevity. A unique support design enables the fitting to be adjusted so that it hangs completely vertical and true. The light provides a direct even beam with low glare.

Available in black Nero Marquina marble.

Supplied with 2m matt finish cable and semi-matt powder coated conical steel ceiling fixing in matching colour (black RAL 9005). All fixings are hidden.

Bulb:
6W LED (included).
