

AAC22 - upholstered seat

Hee Welling,

Description

About A Chair AAC22 by [Hee Welling](#) for [HAY](#).

The idea behind the About A Chair collection was to develop a chair of conspicuous simplicity. A chair which works just as well around the dining table as around a conference table, in a canteen or at the office. The ambition of designer Hee Welling has been to combine form, function, comfort, detail and aesthetics.

About A Chair is a family of chairs where all shells and frames can be combined - but where diversity is possible without perfection being compromised.

AAC22 is a chair with solid wood base, armrests and polypropylene seat shell. Beech plywood base with oak veneer in a matt lacquered, clear lacquered, black stained or soaped finish.

Available with upholstered fixed seat cushion in fabrics and leathers of the collection. Please see the links below for detailed fabric information and relevant price categories:
