

Objects folding tray table

, 1958

Description

Objects folding tray table by [Fritz Hansen](#).

This ingeniously elegant tray table was designed in 1958 by Fritz Hansen's master cabinet makers Willumsen & Engholm.

A simple tray in oak veneer is supported by a solid oak frame that features elegantly tapered legs. The frame can be folded when not in use.

The Folding tray table is part of the Fritz Hansen Objects collection, launched in 2016. This range of home accessories is crafted using the same exacting approach to materials and methods applied to the production of Fritz Hansen furniture.

Made of oak veneer and solid oak, available in natural oak or black lacquered.
