

Vertigo pendant light

Constance Guisset,

Description

Vertigo pendant light by [Constance Guisset](#) for [Petite Friture](#).

The Vertigo pendant light has a dramatic and expansive form achieved by interweaving slender polyurethane ribbons over an airy elliptical fibreglass frame.

The resulting structure creates a sense of definition and enclosure within interior spaces, and is characterised by its designer as "den-like".

Available in small and large sizes in the colours black, white, dark green, copper, light pink and light blue.

Supplied with 3m textile cord and ceiling rose in white or black. Black cordset is supplied for shade colours black, dark green and copper, while white is supplied for white, light pink and light blue.

Please note that the Vertigo light is folded for ease of transport and the manufacturers advise that two people are present to help unfold the light for installation.

Made of fibreglass, steel and polyurethane.

Light source (not included):

E27 max 75W 220-240 V 50-60 Hz

Dimensions

Small: 140dia x 15cmh

Large: 200dia x 17cmh

Weight:

<0.5 kg
