

CH111 office chair

Hans Wegner, 1970

Description

CH111 office chair by [Hans Wegner](#) for [Carl Hansen](#)

The CH111 office chair is part of an exclusive office collection consisting of a desk chair and a slender easy chair. Designed by Hans Wegner in 1970, the series represents some of Wegner's finest steel-framed furniture.

A particularly striking feature of the CH111 office chair is where the back leg has been twisted 180 degrees and is used to support the upholstery on the chair's back.

The CH111 office chair has a stainless steel frame. Seat and back in flame retardant cold foam CMHR upholstered in leathers of the collection. Please see pdf in 'Product downloads' to see the different leather grades and colours available. Material samples also available to view at our shop and showroom.
