

# Duane pendant

Soren Rose, 2017

## Description

**Duane pendant** by [Søren Rose](#) for [Menu](#).

The Tribeca series is a range of lighting inspired by the New York City glamour of the late 1930s. An interesting process, Danish designer Søren Rose travelled across America, searching for and collecting vintage lamps. Experimentation with his findings - dismantling and reassembling the usable parts - led to a series of bold designs capturing contemporary elegance and glamour.

Part of the Tribeca family, the Duane is a highly versatile pendant suited to most environments. A modern take on art deco, the hanging lamp emanates a cosy warm glow when lit.
