Moebe, 2017

Description

Frameless wall mirror by [Moebe](#)

Sister to the [Frameless table mirror](#), Moebe's elegantly minimal design strips the wall mirror back to its essential elements.

A circular looking glass is held within a simple rod frame that clasps the mirror at three points with a protruding element at the top for hanging.

Rod frame available in solid brass and powder coated black steel.

Available in three sizes.

Please note: due to the fragility of this item we are able to ship it within the UK only.
