

Perch branch pendant light

Umut Yamac, 2016

Description

Perch branch pendant light by [Umut Yamac](#) for [Moooi](#).

Inspired by nature, this charming pendant lamp invites nature into the indoor space. By the touch of a hand or a slight breeze, the birds are set into graceful motion, gently swinging forward and back.

Reminiscent of origami forms, the Perch branch light features a row of white birds with brass coloured details balanced on a metal perch. A captivating piece to hang in public and private spaces, this sculptural hanging pendant emits a sunny warm glow when lit.

Supplied with 4m black cable and six suspension poles in three different lengths, 10cm, 15cm and 50cm, allowing a total height of 1.5m.

Made of brass painted aluminium and polypropylene paper.

Please note, 10m cable and additional poles are available on request. [Contact us](#) for details.
