

A110 Hand grenade light

Alvar Aalto, 1952

Description

A110 Hand Grenade light by [Alvar Aalto](#) for [Artek](#).

Aalto designed this classic light - popularly known as the 'Hand Grenade light' - for the Finnish Engineers' Association building. It was subsequently used in the Council Chamber of Säynätsalo Town Hall.

Pendant light in white or black lacquered aluminium.

Available with a polished brass ring, or with a ring painted in the same colour as the shade.

For Winter 2016/2017, the A110 light has been produced in a limited edition of [three new colours](#).
