

Avio three-seat sofa

Piero Lissoni, 2016

Description

Avio three-seat sofa by [Piero Lissoni](#) for [Knoll](#).

The elegant Avio three-seat sofa, designed by Piero Lissoni in 2016, is a new sofa component system to suit any interior and space. The collection consists of a wide range of sofa models that can be used on their own, together and also combined with a table.

The different seating and table components are attached to a central beam structure made from tubular steel. The beams connect to form several sofa configurations.

Each seat is attached to the metal structure by an individual frame. Seat and back cushions made from variable density foam covered with polyester fiberfills to enhance comfort. Slip covers are completely removable. Down filled cushions.

The Avio sofa is available in fabrics and leathers of the collection. Please see pdf in 'Product downloads' for fabrics available and the [Spinneybeck website](#) for leather grades and colours available. Samples available to view at our shop or showroom.

Please note: Fabrics Hopsack , Teseo, and Hallingdal aren't available for upholstery with the Avio series. When upholstered in Eva fabric collection, there will be a lead time of 12-14 weeks.
