

# Discovery pendant light

Ernesto Gismondi,

## Description

**Discovery pendant light** by [Ernesto Gismondi](#) for [Artimede](#).

The Discovery pendant is a lightweight and minimalist suspension light that utilises LED technology to great effect. The aluminium outer ring hosts an LED strip and acts as a frame for a clear PMMA surface.

When the light is off, the surface is clear and barely perceptible. When the light is switched on, the surface becomes brightly translucent, diffusing light upwards and downwards in an even manner.

Available in polished aluminium finish.

Light source  
Dimmable 46W LED, 2888lm 3000K (included)

Dimensions  
Circular light - 70cm diameter  
Ceiling rose - 25cm diameter
