Michael Marriott, 2016

## Description

**Bird chair** by [Michael Marriott](#) for [Very Good and Proper](#).

Michael Marriot's Bird chair offers a contemporary re-working of the classic wooden Windsor chair.

Flat-sectioned pieces are used for the back slats and side rails of the chair in order to enhance comfort. This also has the effect of strengthening the chair frame and gives a distinctly modern look to design.

A robust design which is well-suited to commercial use.

Made from solid ash and available in three finishes: light ash, red-stained and black-stained ash.

A [Bird stool](#) is also available.

Dimensions:  
44w x 44d x 42/81cmh
