

Morrison stool

Jasper Morrison, 2003

Description

Morrison stool by [Jasper Morrison](#) for [Cappellini](#).

Designed by Jasper Morrison, the Morrison stool features a simple and elegantly designed seat supported on a metal base. Made of beech and birch plywood with polyurethane foam padding, the stool offers the option of a wood finish or fixed upholstered seat.

Base comes in a satin finish stainless steel or matt lacquered in white or anthracite. Legs come with grey polypropylene feet.

Seat available in bleached ash, walnut-stained ash and wenge-stained ash or a range of fabrics and leathers.

[Please follow this link to view upholstery options.](#)
