

Brass AC sconce

Michael Anastassiades, 2017

Description

Brass Architectural Collection sconce by [Michael Anastassiades](#).

Michael Anastassiades is known for his minimal and sculptural lighting. His philosophy is to produce exceptionally designed objects of permanent value. All pieces are fabricated in carefully sourced, small family-run workshops selected for their unique manufacturing skills and tradition in the use of materials.

The Brass Architectural Collection sconce is a spherical ceiling and wall mounted light. Modern and elegant, the Brass Architectural Collection family of lights features a globe of mouth-blown opaline glass with a polished brass fitting.

A Brass Architectural Collection [pendant light](#) is also available.

Opaline glass shade comes in a range of different sizes.

The wall light's fitting is available in polished brass or polished nickel-plated brass.

Backplate included for ceiling mounting. Mounting screws not included; 5mm countersunk screw recommended.
