Michael Anastassiades, 2017

Description**Mobile Chandelier 11** by [Michael Anastassiades](#).

Michael Anastassiades is known for his minimal and sculptural lighting. His philosophy is to produce exceptionally designed objects of permanent value. All pieces are fabricated in carefully sourced, small family-run workshops selected for their unique manufacturing skills and tradition in the use of materials.

The mobile chandelier collection features a series of mouth-blown glass globe shades arranged around a frame made of black patinated brass. These dramatic and sculptural lights are an exercise in graphic minimalism.
