

Oresund cabinet

Borge Mogensen, 1955

Description

Oresund cabinet by [Borge Mogensen](#) for [Karl Andersson & Soner](#).

Karl Andersson & Soner have been manufacturing the Oresund range since it was first designed by Borge Mogensen in 1955. Whilst the original designs were made in pine and teak, the newly reissued range is made of clear lacquered solid oak.

Handmade in Huskvarna, the Oresund cabinet range features storage cabinets in two sizes and two depths. The sliding doors are available in wood or transparent glass, with two adjustable shelves for small models and six adjustable shelves for large cabinets. Units may also be combined to create customised modular storage.

Optional square-legged base in low or high, or round legged base in high.

Accessories include interior halogen lights and wall brackets. Please enquire for details.

Pricing example is for cabinet in the main image; **two doors in wood on round legged base**. Please enquire for details of other available sizes.
