

Torch bunch

Sylvain Willenz, 2009

Description

Torch bunch by [Sylvain Willenz](#) for [Established & Sons](#).

A variety of non-domestic, yet familiar and functional forms of lighting inspired by Sylvain Willenz's design - Torch light owes elements of its form to the typical torch and car headlight. PVC dipped polymer gives a tactile finish, referencing the handheld nature of a torch, whilst light shines through a clear, diamond textured polycarbonate diffuser.

Grouped suspension light of 5, 10 or 20 lights. Available in a range of colourways.
