

Torch pendant light

Sylvain Willenz, 2008

Description

Torch pendant light by [Sylvain Willenz](#) for [Established & Sons](#).

A variety of non-domestic, yet familiar and functional forms of lighting inspired Sylvain Willenz's design - Torch light owes elements of its form to the typical torch and car headlight. PVC dipped polymer gives a tactile finish, referencing the handheld nature of a torch, whilst light shines through a clear, diamond textured polycarbonate diffuser.

The Torch pendant light comes in three models: Cone Small, Cone Large and Round Small, and in the following colourways;

- black with black cable
- red with red cable
- signal grey with red cable
- signal grey with yellow cable
- yellow with yellow cable

Bulb
E27 1 x 9W eco bulb
