

Linescapes Vertical

Nemo Studio,

Description

Linescapes Vertical pendant light by [Nemo Studio](#) for [Nemo Lighting](#)

Linescapes is a range of innovative floor, ceiling and wall lights by Nemo Studio. Designed with efficiency and versatility in mind, the strip light emits a diffused light via linear LED, maximising available light intensity whilst minimising power consumption. Side emission and a rotating body allow for light to be directed according to need.

A white extruded aluminium body houses the integrated LED strip and opal white polycarbonate diffuser. Orientable 340 degrees. Available in two versions:
