

# Cirio Simple

Antoni Arola, 2010

## Description

**Cirio Simple pendant lamp** by [Antoni Arola](#) for [Santa & Cole](#).

A pendant lamp that combines the feel of a traditional bulb socket with the new technology of built-in LED's.

The Cirio Simple has a simple shade in three different finishes that all offer a different feel - porcelain shade that creates a candle-like warmth, translucent opal glass and the opaque elegance of brass. The shade is suspended from a circular ceiling rosette containing the power supply (non-dimmable or dimmable against a surcharge) available in black or white.

The Cirio range also offers a range of other configurations, please see 'More products in the range' below or enquire for details.

Lightsource (included):  
built-in LED 3.7W

3m black cable (8m cable also available against a surcharge, please enquire)

Dimensions:  
white opal glass: 11dia x 21cmh  
white porcelain: 10dia x 21cmh  
brass: 11dia x 21cmh
